## Make plans with Blood Assurance to donate blood this December

Blood donations are needed now more than ever. Blood Assurance has partnered with the Tullahoma Wildcats in an effort to increase donations and raise money for THS golf. Make plans to visit Blood Assurance at 604 North Jackson Street during the month of December, specify that you are donating for the THS golf program and Blood Assurance will donate \$10 to the program for every donation made.

Please provide the special code **Tullahoma High School Golf Team - Account # 9004379** to be sure the THS Golf Team receives proper credit.

If we achieve 100 donations during the month of December from the THS Golf Team Supporters, we will also provide a round of golf to the entire THS Team at Council Fire in Chattanooga as a special treat in addition to the total donated.

Thank you!

Steve Cope

We have almost reached the end of 2020 (thank goodness), and though we are not having our usual influx of Christmas events, we are seeing continued support from our members. Thank you to those who have continued to dine with us and those who have hosted lunches and business meetings here at the club. We really appreciate all your efforts to support the club and our staff.

Burger Night has been a great success! If you are new to the club or have yet to join in on the fun, we have burgers for \$5 (with fries for \$7.99) every Wednesday from 5 – 8 pm. Don't forget to end your meal on a sweet note with one of our 3 flavors of ice cream from our friends at The Ice Cream Distillery. We have Dark Side, Sweet Cream and 19th Green Pistachio.

## Angel Tree Update

I have spoken to my contact at DCS, and she said that they are in need of blankets and non-perishable food items. If you would like to contribute presents, please feel free to choose a child.

All children have been sponsored, but anything additional will be greatly appreciated. Please be sure to wrap all presents and label them with the number of the chosen recipient.

Thank you again for your kindness and generosity! --Jen

A big huge thank you to our Lakewood members for sponsoring every child on our angel tree! These children were given to us from the department of children services and are especially in need of some extra holiday cheer this year.

## **GHIN Digital Profiles**

To improve data security and golfer privacy, golfers will need to create a digital profile to access the GHIN Mobile App and ghin.com beginning in January 2021.

In order to create a digital profile, golfers will need to have an email address in their golfer profile. To provide an email address, please contact the ProShop.

Below is some additional information and frequently asked questions:

**Q: Why and when will I need to create a digital profile with a unique email address to log into the GHIN mobile app and ghin.com?**

A: In order to improve data security and golfer privacy, golfers will need to create a digital profile to access the GHIN Mobile App and ghin.com beginning in January 2021. Users are required to have a unique email address to create a digital profile and access the GHIN Mobile App and ghin.com.

**Q: How do I add my email address to my profile so that my digital profile can be created?**

A: You can request that your Club Admin or local golf association update your profile within the USGA Admin Portal.

**Q: In January 2021, how will I access the GHIN mobile app and ghin.com with my digital profile?**

A: When creating a digital profile, you will set a password for your account. You will then log in to the GHIN Mobile App and ghin.com with your email address or GHIN Number and the password that you created.

**Q: I share an email address with my spouse/partner, can we log in with the same email address?**

A: No, only one digital profile can be tied to one unique email address. The first person to set up a digital profile will “claim” that email address. Another email address must be provided for the other golfer.

**Q: What if I do not provide an email address, how can I post a score?**

A: If you do not provide an email address, you will not be able to create a digital profile and log in to the GHIN Mobile App or ghin.com. You will be able to access a Club Kiosk or have your Club Admin post a score on your behalf.

**Q: Will I be able to post a score for my child?**

A: Yes, your club can assign you as a guardian for a child. When we launch the digital profile feature in January 2021, you will log in and see a “Change Golfer” link on the GHIN Mobile App and ghin.com. Here, you can change who you are viewing/posting scores for.

## From The ProShop

I would like to thank all of our members for hanging in there during a very strange season. This year was a bit bizarre in the golf world as we saw better numbers and more rounds than in the past years. I am guessing there wasn't much else to do that was considered somewhat safe except play golf and go to drive thru restaurants. We pray that this will be over soon and we can get back to using all the facilities at the club.

During this age of computers and instant gratification through Amazon, Ebay and many other outlets to buy golf equipment, I am extremely fortunate to have the loyalty of our members that shop with me for their golf equipment and apparel. I am fully aware that you can buy anything and everything on the internet and have it delivered to your door. The folks that have supported the golf shop, I thank you from the bottom of my heart. For those that haven't over the years, I would love to be able earn your business in the future.

So on that note I would like to thank everyone again for allowing me to assist you with all your golfing needs and I am truly blessed to be a part of Lakewood Golf & Country Club.

Merry Christmas,

Kenny Saunders, PGA
