## COVID-19 UPDATE - June 29

As most of you are now aware, one of the members of Lakewood Golf & Country Club has tested positive for COVID-19. This member had very slight symptoms last week and underwent testing. They were told if they did not hear anything in 48 hours that they would not be contacted. The test came back positive today from the testing facility. Our member was at some of the festivities during our Member-Guest Tournament. The club followed all protocols to keep everyone as safe as possible but if you were at the event you should be tested.

### COVID-19 UPDATE - June 30

We have had many questions concerning the one week closure of the club. To properly ensure that the virus does not spread it is the club's position to close all facilities including the golf course for one week. The issue is most of the folks wanting to play golf this week were in close proximity of the infected person. If we play golf this week then there is a small chance one of the golfers could be infected and pass it on to all their golfing buddies. We think it is prudent to take one week off and then reassess the situation next week.

There have been many who also want to know the identity of the infected person to know if you were in close contact. We are not allowed nor would we, as a club, release this personal info. The best solution is to get tested if you were around the club and in close contact with others during the Member-Guest tournament and festivities.

There is a wealth of information on the [CDC.gov/covid-19](https://www.cdc.gov/covid-19) website if you have questions.

Just a reminder, if you or a loved one is awaiting the results of a test for COVID-19 you must stay at home and self-quarantine until you get the results. If you have a fever, you must be fever free for 3 consecutive days and have a negative test before venturing outside.

At this time we feel it is in everyone's best interest to close the club for one week. We will sanitize the building for precautionary measures and re-open on Tuesday, July 7th. All events that were planned will be cancelled.

Once again, if you were at the event or around someone this weekend that was present at the Member-Guest Event, please get tested. Also please pass this info on to your Guest partners in the event so they may take precautionary measures and be tested as well.

Thank you and we are looking forward to getting back to our normal routine in the next couple of weeks.

## From Your Golf Course Superintendent

**JUNE** - It's finally good to see the summer fertilizer kicking in and the Bermuda grass is green and growing. The team is finally able to get some much over due detail work accomplished.

I will be able to get on the sprayer to apply some broadleaf herbicides to eliminate those pesky weeds.

Our bent grass greens seem to be doing well along with improving root structure. The borrowed green's roller was returned to Old Hickory Golf Club which may result in some noticeable green speed changes. We were, however, able to repair our roller (thank you, Noah) and will continue to roll throughout the season.

## Tennis Camp at Lakewood

**NEW DATES JULY 9-10 1-4 PM**

Moore Country Tennis Coach Manny Buchanan along with Ashley Abraham are hosting a Tennis Camp here at Lakewood. The price is \$20 per child. The kids will need towels, swimwear, tennis racket, tennis clothes and tennis shoes. For more information, you can click the link below:

## July Events From Jen

As we slide into our new normal at Lakewood we look forward to a summer of golfing, swimming and safely mingling (thank you all for your continued support of safety protocols and social distancing). The pool is open! Let us bring you an ice-cold cocktail while you relax poolside with all your Lakewood friends. Proper pool conduct will include maintaining 6 feet between all parties, no more than 10 people in the pool at one time and a smile for our amazing staff that have missed you so much! Wednesday has become the new Friday here at the club! To ensure that we offer the absolute best service to all our members, food service will be limited to our weekly buffet every Wednesday beginning at 5 pm.

Dan & Martha Merz will be chairing Lads & Lassies for the second year and they have lots of new twists in mind to add to the games this season. The cost is just five dollars per person or ten per couple. We will be following the guidelines of our government officials and the PGA by practicing social distancing. What that means for you is that you will need to plan to ride in separate carts (unless you live in the same household). Babysitting services are now available. Please contact Jen no later than Tuesday by noon each week to reserve childcare. If you would like to stay for dinner or drinks, be sure to arrive early to place your order with one of our servers. All orders will be placed in to-go containers but may be enjoyed in one of our dining rooms or on the patio of your choosing. As we begin, we will play 2 person events to limit the amount of contact with others.

Yoga Thursdays with Tami is back! Weekly practice resumes and will be held in the game room at 6 pm. The cost per session is just \$10 and will be paid directly to Tami via cash or check. This is an all level restorative and relaxing class. So, grab a mat and a bendy buddy and head to the club for yoga every Thursday evening at 6 pm.

Four Raiders named WGCA All-American Scholars

**MURFREESBORO, Tenn.** — The Women's Golf Coaches Association released the list of 2020 All-American Scholars on Monday afternoon as Head Coach Chris Adams' squad placed record-tying four honorees on the list for the second consecutive season and fourth time in program history.

Middle Tennessee's Sophie Burks, Catherine Caudill, **Savannah Quick** and Madison Smith each earned the prestigious honor, with Burks making the cut for the third time and Caudill being honored for the second time.

Middle Tennessee also totaled four honorees in 2008, 2009 and 2019, and have now boasted multiple honorees for seven consecutive years.

"With their hard work both in the classroom and on the course, this award recognizes them amongst the best student-athletes in college golf," Adams said. "It takes a strong balance between both academics and golf to be great at both, and the four have accomplished that over the past year."

To be named an All-American Scholar, student-athletes must maintain a 3.5 or better GPA, have high moral character and participate in at least half of their team's competitions in the current season in order to be named an All-American Scholar.

## Lakewood Junior League Results

**June 18, 2020** - Another great day of golf for the Lakewood Junior League. We added two more players to the teams and one of them (Walker) Bill Rieder's grandson shot even par on his first day from 50 yards out. Walker will be moving back to 100 yards the next time we play.

Payton Miller also shot even par by ramming in a long putt on the last hole. Payton will be moving back to the 150 yard marker.

Congrats to all the kids on both teams as we had our first ever tie. Team Ava Catherine was up 2 strokes with only one group left to finish. Brody came in with some low scores that brought his team into a tie at 154. Congrats to everyone for having a good time. We are currently up to 34 kids in our league. It is not too late to get your kids signed for a sport you can play for a lifetime.

## Abbie Slater Memorial Scoreboard

A few years ago, following the rebuilding of the Men's and Ladies Number 1 Tee Boxes using the stone design, Randy Wilson and I discussed perhaps remodeling or rebuilding the scoreboard using the stone to match the tee boxes. The present scoreboard was built and donated by the Lads & Lassies group many years ago. Randy did a great design at that time, but we never followed through with the project.

With the passing of Abbie Slater and her love for golf and her dedication to the Lads & Lassie organization, we have decided to renew this project. Cathy Bennett suggested that we consider a project like this to honor Abbie. Everyone that was in the discussion agreed.

Randy is busy getting cost estimates for a stone design that will complement the beautiful tee boxes. I will be raising funds to complete the project. If you would like to contribute towards this project, please make the check to Steve Cope and designate "Abbie Slater Memorial" on memo line.

Thanks in advance for your assistance,

Steve Cope

## HOLE-IN-ONE - Alex Miller

Alex Miller visited the hole-in-one club for the 3rd time today, and he's only 10!

Alex was playing in a group with Bert Edmonston and Payton Brannom during our new junior league play, when he teed up his hybrid from the 143 yard 7th hole red tee box. After landing on the left side of the green just short of pin high, Alex's ball trickled down the slope and into the hole!
