### Words from our President - Matt Layton

I suppose this is my sign off after seven years serving on the board. It has been quite a ride, but I consider it a privilege to have been able to serve our club. During my time on the board I had the chance to work with three golf course superintendents, as well as three head golf professionals (although the second Pro actually never made it here). Oh yeah, we also took a direct hit from a tornado and lived through a global pandemic. I want to thank everyone who has served on the board with me over the years and the expertise they brought to our group, but a special thank you to the group that has worked along side me during my two years as president. I truly appreciate your commitment to the club and for keeping me on track! As Tommy takes the reigns going into 2022, please give him and the board all the support as a membership I have felt over the past two years. Thank you all again for allowing me to serve as your president.

Now that I don't have to field any complaints or suggestions... I'll see you at the club!!!

### Lakewood Golf Shop - Kenny Saunders

We took our annual pilgrimage to Las Vegas on November 6-11. Only one team went this year which consisted of Steve Cope, Alan Jones, Chris Danko, Mal McDaniels and myself. We have come to love our first day of golf as we go out to Vegas a day early and play Dragon Ridge Golf Club. A beautiful course built into the mountainside of which my friend and gracious host sets us up to enjoy this very scenic course. Rob Terry is my friend's name and he enrolled at UNLV back around 1986 and never left. He works for an offshore gambling firm which represents about 50 very high end gambling clients. He bounces back and forth between Las Vegas and St Kitts. One of our esteemed members one year thought he would get some inside info from Rob when he asked Rob what is the best way to make money gambling in Las Vegas. Rob's answer was classic. He just said "Don't"

The tournament is hosted by the Tennessee PGA and is the end of year Pro-Am for the Tennessee Section. We had a record number of teams with 52 five man squads from all over the state of Tennessee. We played all three golf courses at Paiute Golf Club about 30 minutes outside of Vegas. We got off to a decent start on Monday with a 16 under par 56. The format each day is one best ball gross and one best ball net. Day two was a little better with a solid 20 under par which left us in 6th place with one round left to go. The third round was played on the always very windy Wolf Course. We came in with a very hard fought 14 under that left us in a 6th place tie at the conclusion of the event.

**Some of the highlights of the trip:**

**The boys went to see comedian Shin Lim/I went to the Rolling Stones concert/Steve and Wanda had the best steak ever at Hell's Kitchen/I won a skin for \$260/Steve won a skin for \$750/Steve and Alan won money at the casino/Kenny did not/Alan had 2 nine holes where he had 5 birdies on each/We finished in the money!!!!**

There are 3 teams already signed up for next year. If you are interested please let me know as we need to sign up early this year so that all our teams get included.

Great trip, Great fun, Great Tournament, Great friends

See ya in Vegas next year.

Let's break our record from last year when we donated \$1300 for the charity that goes to these kids in need. We welcome donations from non golfers as well if you just want to help out some less fortunate kids that are in a bad situation that is no fault of their own.

Please bring cash or checks made out to Toys 4 Tots.

## Greens & Grounds Committee - Dave Hamann/Clay Useton

Wishing everybody Happy Holidays this holiday season. Hopefully we'll continue to get some nice weather in December. The greens could still see some growth and recovery with some bright sunshine this winter. Our plan for the greens for the next few months...

1. With club volunteers or an outside company, take out the fringe dams that are causing standing water on most of our greens. The front part of #1 and #17 greens are good examples.
2. Remove 4 or 5 trees that are causing root problems on several of the greens.
3. Hire an outside company to sod the areas on the greens that need sodding.

We will have some volunteer projects this winter, so be on the lookout for those.

Thanks

See you on the course and hit em' straight.

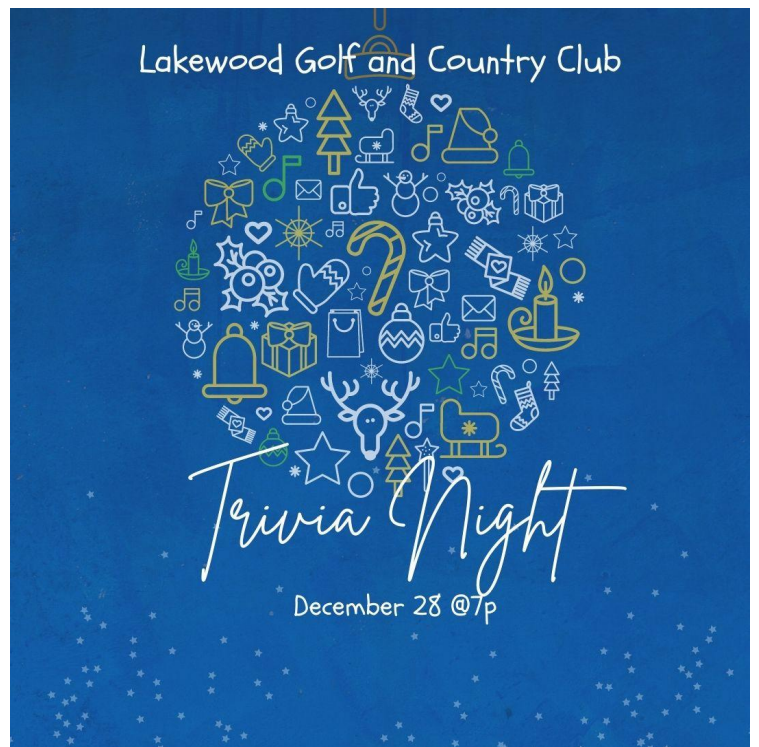

We are looking for a few good men and women to help with some work on hole #17. There are some collar dam issues in front of the green that we need to address. We will be determining if we can do this work in house or have to outsource. This work will be done on December 5th starting at 9am. Contact Dave or Kenny to sign up and help Lakewood Golf & Country Club.
