## Words from our President - Tommy Dennis

"Wow" What a great month at the club. It has been hot and the pool has been full of fun people enjoying the sun. Golf is in full swing with the Kid's golf camp, Phil Trimble's Hole in one on #7, Nat I Washburn tournament, and Member Guest. We will not forget this past weekend and all the events. Food, live music, Fireworks and the sea of golf carts watching the shootout was magical. Let's thank all of our staff, committees and members who worked long hours, extra days to make this month one to remember.

As a member and the new president of Lakewood Country club I will continue to work with our members, staff and board to make the right decisions for the future of our club, families, friends and our children to continue our traditions and our place to get away. I want to thank Clay for his leadership, mentoring, and continued involvement.

Stay well Be safe , Enjoy your weekend, your Independence and Happy Birthday America!

# Welcome New Members

Dave and his team have been working extremely hard to keep the course in good condition. The hot weather has not been our friend. They are doing tiny rain dances in hopes to give the course a little hydration. Also they are working to limb up a few trees and have removed several stump's around the course.

As you noticed as well, the crew continues to focus on our greens by punching the greens to promote a healthy root system, also using sections from putting green to improve bad spots. This is working and the team will continue with this process.

We also want to thank Andi and Bob Hennigan for their recent donation of top soil to help with filling holes and leveling of low spots around the course.

Thanks - Tommy

## Finance - Mike Melton

May happens to be the first month in 2022 that the Club had a loss.

Revenue was up \$12,152 to budget.

However, we had several departments that were over budget.

Administration was over by \$7,842.

Clubhouse was over by \$4,236.

Golf Shop was over by \$23,445 (part of this was a budget issue).

Restaurant/Bar revenue was short \$8,384.

Looking forward to a better month in June.

Thanks, Mike

## We have had a great start to summer at the pool!

### Pool & Tennis - Courtney Crowe

Thank you for your participation and support. Please make sure you are remembering to sign in yourself and your guest every time you are using the pool.

Our lifeguards are doing a good job with some new expectations and responsibilities this year. As a reminder, their #1 responsibility is the safety of all individuals at the pool. They are not responsible for entertaining or playing with the children. When they are on pool duty, they are expected to be watching the pool. If they have free time (and are willing) they can play with the kids, but this is not in their job description.

Please also remind your children to obey and be respectful of the lifeguards on duty. They have been instructed to give a warning for the first misbehavior and a second offense will result in sitting out for 15 minutes. Ultimately, the lifeguard will address the situation with their guardian. Overall, the kids have been great!

Please support the pool this month so we can continue to grow this area!

### LLGA Invitational Thursday, June 2

We had 60 women golfers from all over the state and also from Florence, AL. It was a great day of golf and fellowship.

We raised a little more than \$3,300 which we will spend at Lakewood from a wish list provided by our Staff and Lakewood Board of Directors.

Thanks to Andi Hennigan, Linda Thoma, and Terrie Warren for planning such a great event.

3 of our own LLGA members won gift certificates generously donated by our title sponsor, Jim Woodard, Woodard's Diamond Showroom. Congrats!

Our LLGA ladies provided a wonderful breakfast for our guests and golfers.
