Words from our President - Clay Uselton

It was great to see so much activity at Lakewood over the Memorial Day weekend. A big thank you to the Pool and Tennis Committee and the Social Committee for all the great work they did to get the pool area ready for the weekend and the summer. All of our committees are very active right now and I can not thank everyone enough for being involved. If you are wanting to be involved, please see a board member and tell them that you would like to help.

The golf course continues to improve with the warmer weather and the greens are really looking a ton better. The next few months will be very busy on the course. Please repair your ball marks, fix your divots, and rake those bunkers. This is your club and golf course, not a public course you're playing. Please take ownership.

I'd like to welcome all of our new members to Lakewood. If you have any questions about anything, please see one of our employees and they should be able to lead you in the right direction.

See you at the club...Clay

MEMORIAL DAY WEEKEND

What a fabulous weekend! We had 33 Teams in the Member-Member two-day tournament, 46 golfers participate in our annual Memorial Day scramble, the pool was open for lots of fun, games and a waterslide, the bar was flowing with Watermelon Margaritas, and the BBQ Nachos, Pork Plate and Monday Hamburger and Hot Dog bar were delicious! If you weren't able to join, here's a sample of what you missed!

Greens & Grounds
Dave Hamann & Tommy Dennis

Hey Y'all a quick update on the golf course:

The temperatures are on the rise which will mean slower greens speeds. We are making strides on improving the overall greens conditions this spring...I'm still recommending that we convert to TifEagle though.

We've had some staffing issues lately but are getting back up to speed and will be able to get things done.

We've been able to do some tree work and will continue through the summer. Some areas I plan on focusing on are holes 10-12. There are a lot of trees that are in need of some attention.

Have a great summer everyone!

Dave

Lakewood Golf Shop/Golf Committee Kenny Saunders & Bryan Hall

There are lots of golf activities available at Lakewood. We have Tuesday Night Men's League, Lakewood Ladies Golf Association, Lads & Lassies, several men's groups that have daily (weekday and/or weekend) play, Member scrambles, Club fitting, Get Golf Ready "Fore" Ladies, Junior Camps, and the list goes on. We hope you will find something that you can participate in and enjoy!

We are off to a very good start with sign ups for the Kid's Camp. We are in need of some volunteers to help out with the Teaching, Lunch, and Swimming areas of the camp. We are going to make sure we have plenty of help and supervision. Call or email Kenny if interested.

We currently have 31 kids signed up. We will have to cut it off at 50. If you haven't signed up, call or visit the pro shop.
Thank you, Kenny

Lakewood Men's Member-Guest June 23-26 Special Guest - Pete Mroz

We have booked a special guest this year for our music on Saturday Night so we are going to set the pool area up for better viewing and listening. Our guest was a contestant on the Voice and made it to the final rounds.

With all of our other great activities and the addition of Pete on Saturday night, this is going to be a great Member-Guest.

Finance - Mike Melton

The Rest/Bar had another great month with \$20,046 in income for April.

Miscellaneous income came in at \$66,597 this was a result of a payroll tax credit from the IRS for Covid-19.

Greens/Grounds have been seeing increase cost due to material prices going up this year. Almost 50% over last year.

With the above being said another solid month at the Club.

Thanks, Mike

Summer is finally here, and the Pool is OPEN!

Friendly reminder – ALL members and their guests are required to sign in when using the pool.

We just recently purchased 10 new Lounge Chairs and 5 side tables for the pool area. And in the coming weeks we will have some additional furniture trickling in. We are very thankful to the BOD for allowing this purchase and we ask that members and their families please be respectful of our new things. As many of you know Pool furniture isn't cheap and we would like to maintain them as long as we can.

We will be working on the Fire Pit area soon. (empty space inside fenced area below the bar entrance) We are working with someone currently; however, they are backed up until late June. If anyone knows a great landscape or hardscape crew, please reach out to me (Courtney) directly. We are open to speaking to other people to get quotes.

Tennis Part 1

We've had several members reach out regarding Tennis Courts usage & our agreement with Moore County. We thought it was important to get this information out to the entire membership just so everyone has a better understanding.

From what we understand, the agreement allows Moore County Tennis Team and the Middle Tennessee Tennis Club (MTTC) to utilize the tennis facilities in exchange for maintenance and upkeep of the courts and deck. Keep in mind, most of these players are high school age (not professional contractors) and the maintenance they perform would reflect this.

Moore County uses the courts for practice M-F from about 3:30-5:30pm but only during the school year. They also use it for some tournaments on the weekends. MTTC uses the courts one or two nights a week at either 5pm or 7pm during the summer months.

Club members are always welcomed. A court will be made available during these practice times, all you need to do is let them know you are a Lakewood member. *We will also be posting signs so that all students and MTTC members are aware.*

Below are a few things that Moore County Tennis Team and MTTC has accomplished without any additional money support from the club:

- 1) purchased and installed (4) new tennis nets (approx. \$200 per net)
- 2) purchased and installed two new garbage cans to nets on court
- 3) 4 score keepers
- 4) 8 new benches (old benches are placed on deck)
- 5) Repaired cracks on court (2-3 years ago)
- 6) Stained and painted deck (approx 4 yrs ago and again just a couple weeks ago)
- 7) Trimmed branches from storm event and hauled away

We will continue to develop our relationship with both teams, as we have our club membership and our facilities best interest in mind.

Manny Buchanan is the point of contact (662) 507-2208 for both Moore County and MTTC.

If you have questions or are interested in Tennis Lessons, please let us know or reach out to Manny directly.

Tennis Part 2

PICKLE BALL!

Shea Gaither, a member of the Pool & Tennis committee, has volunteered to co-lead a Pickle Ball group. If you are interested in learning or playing, please reach out to Shea. His contact information is listed below. Shea is going to work to gather all necessary information but as always, we need member participation to make this happen (at least 12-16 members) so please sign up!

(Sheagaither@gmail.com or 912-269-0433)

We also want to thank the volunteers that came out to help clean up the Pool & Tennis areas. For those who weren't there in person, thank you for the money that you sent! You guys have no idea how much this means and truly makes a difference. We are VERY thankful to each and every one of you.

Lakewood is more than just a Golf Course. We have so many other amenities to offer our membership. Let's continue to make them a great again!

Thanks - Courtney Crowe-Garner

A huge **THANK YOU** to everyone who contributed and donated to the pool and tennis fundraising. We were able to landscape, purchase new pots and ferns, string lights, umbrellas, bunting flags and benches. We are still in need of more seating and umbrellas, so if you would like to donate, contact Katie McNabb or Venmo Katie-McNabb-2 We could not have done it without you!
