We have been talking about and preparing for the new TifEagle Bermuda greens for so long and it's finally happening. On Tuesday June 6th and Wednesday June 7th we will be sprigging (planting) the Bermuda turf. The Bermuda sprigs will be spread over the greens by Lakewood members, rolled in, top dressed and watered repeatedly along with fertility applications until there is visible active growth. When there is sufficient turf growth, mowing will commence!

Greens & Grounds - Betty Hand

There is a controversial issue that the Greens and Grounds Committee is struggling with and that's whether to cut down the tree that is on the left front of the #7 green. On one side, it is a beautiful massive tree that some say is part of our logo. It's obviously been there many years, and for some has become a long-standing Lakewood symbol. On the other side, Bermuda greens need 8-10 hours of sunlight year around to provide a good putting surface. There is also concern that it will make the hole play too easy. Recognizing this Trevor, our superintendent and Chad, our greens conversion private contractor who are trying to deliver the best greens possible, have noted that the front part of the #7 green gets too much shade and that the tree roots are leaching water and fertility from the green. Trimming the tree up and or topping it would not address the concern. The Greens and Grounds Committee (Betty Hand, Greg Gates, Trent McNabb, Dan Merz, Noland Gomez, Noah Risner, James McCord, Tommy Dennis, Clay Uelton, Michele Shaver, Kemp Brooks, Rob Scherer) would like to hear from you. Please seek out one of the folks on the committee and provide your feedback and or questions.

Check out our "Rules" section on the website and refresh yourself with Lakewood General Rules (on and off the golf course). Here's a very important one!

Section 8. Clubhouse Rules, #7.

Members and or guests are not permitted at any time to enter the kitchen area or areas behind the bar unless accompanied by kitchen staff and or club management. It's a health department violation and potentially an insurance liability if a non-staff individual is injured.

**DO NOT THROW
CIGARETTE BUTTS
ON THE GROUND
(OR CIGAR BUTTS)**

Recently, one of our members spent part of their golf round picking up cigarette and cigar butts along the way and here's the result! 1.12 Pounds of "butts". What's even sadder is the fact that they only picked them up on tee boxes and around the greens - AND - ONLY ON THE FRONT 9!

Please be kind and keep an ashtray in your cart and dispose of them properly!

Social - Trent McNabb (and Katie)

Summer at the Lakewood Pool is off to a great start! The Shrimp Boil and Memorial Day Cookout were both a success and lots of fun! Southern Moss put on a great show Sunday night!

Snack Shop is OPEN for the summer and will be open and staffed when lifeguards are on duty (hours to be determined). We also have a new ping pong table right outside thanks to John & Janet Knorp!

Make plans to spend the 4th of July at Lakewood! We're planning an old school Blue vs Red Family "Olympics" including Pickleball, Corn Hole, Closest to the Pin, Watermelon Race and more. If interested in helping with this event, please reach out to Katie (931)619-8107. Details will be out soon.

Our wine pairing dinner with Stormy was a special evening. Cindy and her team truly outdid themselves. The dinner was fabulous! Even better, all of the wine served can be found on our new wine menu so we are really in for a treat. Be sure to try some of our new wines if you weren't able to attend. Our next pairing is in July and is already sold out! We will keep you posted on the next one.

Lastly, mark your calendars for Saturday, August 26th. You won't want to miss the The Andrews Brothers Dueling Pianos from Atlanta coming to Lakewood!

Check out all the photos of our Memorial Day Weekend Shrimp Boil & Poolside!

Finance - Mike Melton

In April we had a profit of \$66,939 which was much better than the budgeted loss of \$7,289. However \$31,000 of the \$66,939 was the result of billing out the balance of the second assessment to member accounts.

The profit from the bar and restaurant for April was \$15,155 a big improvement from the lost they had last month.

Expenses for the month of April were under budget by \$186.

To date we have received \$165,000 from the assessment. We still have a few members that need to pay the second \$500. As far as expenses for the greens renovation go we have spent \$27,521 for the tarps that will cover the greens and a down payment of \$15,000 for the sprigs.

Thanks Mike Melton
