Words from our President - Clay Uselton

Holy cow, is it ever going to stop raining? I'm ready for some sunshine, warmer weather, and for the golf course to dry up. Updating everyone on our greens...we have met with several contractors about repairing and sodding our bent grass greens. We are in the process of receiving quotes for this work. At this time, we are also talking to contractors about quoting us for switching our greens to bermuda grass. We will look at both of these options over the next few weeks and will let you know what we recommend. We will make sure we involve our membership in this decision.

Please continue to support your club and hopefully soon we'll have some nice weather to get out on the course. Remember if you are interested in being on a committee, please see a board member (listed above)

See you at the club...Clay

Welcome Back!!

Lakewood Golf Shop/Golf Committee - Kenny Saunders & Bryan Hall

On February 19th, we kicked off our tournament schedule with the Polar Tailgate Scramble. As we age a bit our bodies do not handle the extreme weather as well, so the Polar name is a bit of a misnomer. We always aim to hold the event in January, but it has become somewhat of a game to count how many times the event is postponed. This year we were fortunate and held it on the 4th scheduled date when we had a window of opportunity on the 19th. We kicked off the festivities with a cornhole tournament which is always a lot of fun with our double elimination event. DJ Boggs and Cole Montgomery came out on top and are the 2022 Polar Tailgate Cornhole Champs. Next up was the ever-popular Chili Cookoff and Bloody Mary Contest. This year was a clean sweep for Mel Dennis as she wowed them with her culinary and bartending skills. We are planning a Mel Dennis night in the bar as she cooks and slings drinks for us. It may even warrant a tv show." Mel Hell Kitchen". We all had a nice lunch and polished off all the chili with some burgers and dogs thrown in for good measure. The par 3 tournament was extended to 18 holes this year and we had an exciting time as the staff always chooses some very exciting tee boxes for the event. With the talent level of this event, we have to think - US Open set up. The victors of the event were as follows:

Betty Hand, Martha Merz, Dan Merz, David Hollinshead

Jeff Biniek, Therese Biniek, Bryan Hall, Erica Hall

Don Cleveland, Sam Minkowitz, Shea Gaither, Vanessa Jackson

Thanks to all that participated and don't forget to sign up in the pro shop for our next event on March 13th. St Paddy's Day Scramble

Thank you,

Kenny Saunders, PGA

We have been working on replacing burned out lighting in the parking lot and are planning to add more lighting as well. The furnace has been fixed and updated, so hopefully that will hold us for a bit longer. Upcoming projects will include finishing painting the railing in back. More to come when the weather starts warming up!

Pool & Tennis - Courtney Crowe

Hi Lakewood Friends,

Did you know that summer is only 144 days away?! It will be here before you know it and I can hardly wait!

With that being said, I'm looking for people to join me in forming a Pool/Tennis Court Committee. I would love to have at least 6-8 people if possible. We will meet once a month to discuss various things pertaining to the pool and tennis courts.

Please let me know if you're interested. You can contact me at ccrowe1116@yahoo.com.

Thanks and I look forward to seeing everyone at the club!

Greens & Grounds - Dave Hamann & Tommy Dennis

Just a quick note from the maintenance team at LGCC- the staff continues to prep the course for the arrival of Spring and warmer temperatures. We're continuing on plugging some areas on the greens to improve the putting surfaces. We will aerify and drop some bentgrass seed in the next couple of weeks in some areas as well.

The board approved some new equipment for us but unfortunately it won't be delivered until sometime this fall. Therefore the staff is working on getting our current equipment repaired and ready for the upcoming golf season. The staff is looking forward to the new equipment and excited for it to arrive.

We've brought in some different contractors to look at our greens as far as sodding some areas or making the decision to convert to Bermuda grass greens. We'll have more details to follow in the near future.

Thanks for all you do for LGCC! - Dave

Lads & Lassies - Dan & Martha Merz

We're BACK! You're stuck with us again! The Tierney's did a great job last year, but are busy in their retired life and were reluctant to commit to head things up again this year. We will be starting up in April, so start saving your Wednesday evenings for 9 holes of fun golf and plan to stick around for dinner and drinks afterward. We'll have lots of new surprises this year, so don't miss out! Look for an email from Lakewood with details in the coming weeks. Let the games begin!
