Words from our President - Clay Uselton

Well, it finally looks like we're getting some sunshine and warmer weather, and the golf course is starting to turn that nice shade of green. I hope you are able to get out and enjoy the golf course. I want to thank all of our staff, both in and outside of the clubhouse, for all of their hard work and helping make Lakewood such an enjoyable club. We have a ton of things happening right now and more to come as the summer season gets started. From Lad n' Lassies to Men's League, and all the social events, you should be able to find something at the club to fit your lifestyle.

We had a very good membership meeting this month about our greens and the rest of the golf course. Most of the members, by a large margin, voted to move to TifEagle bermuda greens next year and do some other smaller projects as this project is taking place. We will continue to update you as this progresses. This fall we should have everything in place to present to the membership exactly how all of this will happen, cost, and how we'll pay for it.

And as always I want to thank the board and their committees for their hard work. We have a great group of people that really care about this club and are working hard to have Lakewood continue to be a special place.

See you at the club...Clay

GOLF SPRING TRAINING:

Everyone is aware that Spring is the time for Spring Training in the world of professional baseball. In the golf world Spring Training has a different meaning. It is the annual reminder time to get everyone back in the habit of course rules and etiquette practices that we may have forgotten or neglected over the Winter.

So here we go:

- 1) Please Fix your ball marks and at least one other - if everyone abides by this simple form of etiquette it would seem you would never ever see an unfixed ball mark
- 2) Please fill divots in the fairway. We even provide the sand.
- 3) Please no fivesomes unless approved by the golf pro. Not the part time staff but the golf pro.
- 4) Please check in the pro shop before teeing off
- 5) May be a good idea to start making tee times during busy times. We have a lot more golfers and the group with the tee time will have the right of way over the non tee time group.
- 6) Please adhere to all cart rules. If the sign says cart path only that means cart path only. If you think it is dry and we should be off the path do not call the pro shop. That decision is solely at the discretion of the course superintendent. He will call the proshop if he determines we can change the cart rules for the day.

Peer pressure works best. If someone in your group is not following course rules or proper etiquette then point this out to them in a constructive manner.

- 7) Do not take range balls for your personal use even though some of them may be better than what you are currently playing. The new range balls will not arrive until June. If you have old golf balls in your garage then please donate to the cause or they will sit in your garage forever. Please be respectful to the course and your fellow members at all times. Please be kind to all guests who could one day be a new member.

Thank you all for being members and Lakewood Pride is alive and well.

Get Golf Ready "Fore" Women

The Get Golf Ready program is designed to teach everything you'll need to play golf in just a few lessons. Each session will focus on the various skills you will use while playing golf. Our PGA Pro will help you in a casual, fun, and friendly setting. In addition to learning the basics, you will be guided onto the golf course to put your skill into action in a stress-free, pressure-free environment. We look forward to having you out to Lakewood GCC to learn why this is the greatest game.

LAKESWOOD JUNIOR SUMMER GOLF CAMP

It's time to get the kids together. Junior Golf Summer Camp is quickly approaching once again here at Lakewood, which means a chance to give parents a little break while the kids learn about the game of golf in a fun and exciting way! This year we will be offering new activities and learning opportunities including putting, drive, short golf, closest to the pin, golf rules and etiquette. If you are interested in being a part of this year's summer program, you can sign your kids up by phone, email, or visiting the Pro Shop. Let us know if you have any questions.

LAKESWOOD GOLF & COUNTRY CLUB

Lakewood Men's Member-Guest June 23-26 Special Guest - Pete Mroz

We have booked a special guest this year for our music on Saturday Night so we are going to set the pool area up for better viewing and listening. Our guest was a contestant on the Voice and made it to the final rounds.

With all of our other great activities and the addition of Pete on Saturday night, this is going to be a great Member-Guest.

Hopefully we will start to see some consistency in our weather and temperatures this coming month. We've been busy on the course lately and some things we've been able to do are: begin to mow the golf course with all cutting units recently sharpened and put back onto the mower. We were able to pour concrete on the path on 16 finally and a big thank you to the McNabb's for allowing us to access the golf course through their property. We had our spring fertilizer application with the pre-emergent applied as well last week. This will give us season long control of crabgrass and Goosegrass along with nutrients to keep the Bermuda healthy.

Come on out and enjoy y'all's club and some nicer weather. Thanks for all you do as a member of LGCC.

What a great Kickoff we had for Lads & Lassies - we had 61 people come to our meeting and over 45 played our ultimate putt-putt contest throughout the clubhouse and closest to the pin contests on the 1st tee and driving range!
Congrats to our winners, Steve Cope, Kathy Tierney, Wanda Cope, and Paul Bass!
