Words from our President - Tommy Dennis

It was great to see everyone coming together with family & friends celebrating Easter with the Lakewood bunny. We had amazing food, cotton candy, balloon animals, and our annual Easter egg hunt. It was a lot of fun for our children and I think the adults (big children) had a great time, too. We kicked off Tuesday night Men's league and Lads and Lassies. We continue to have larger participation with everyone enjoying bingo, trivia, and the 19th hole.

We have a big month coming up as we prepare for our greens transition. Please continue to check your LGCC newsletter, calendar, and social media to stay informed of all the great events that are planned for May.

Thanks! Tommy

Greens & Grounds - Betty Hand

I am so pleased to announce that we have a new Golf Course Superintendent, Trevor Vestal. Trevor came from The Grove, in Franklin, TN, where he was an Assistant Superintendent. He has a B. S. in Plant Science with a concentration in Golf Course and Landscape Management from UT at Martin. Trevor also worked at the Gaylord Springs Golf Links where he interned, became an Irrigation Technician, and was a 2nd Assistant Superintendent. Trevor will be moving here from Mount Juliet and hence is looking for rental property, so if you know of anything in the local area, please pass it along. Trevor will be working closely with Chad Garrett, our greens conversion private consultant, who has been through the bent to bermuda greens conversion and is already proving to be invaluable in the key directives to be successful. As I alluded to in an earlier communique we are starting the conversion in May with multiple applications of herbicide to kill the bent grass greens. With the Memorial Day Scramble being the last tournament played on the bent grass greens, on May 31st there will be target greens on holes 10-18. In June we will be planting the greens with TifEagle sprigs. I've been told the sprigging process is like spreading pine straw on the ground. If you would like to participate in this monumental event, please reach out to Betty Hand and join the Lakewood Greens' Sprigging Brigade.

Huge thanks go out to so many members for their assistance through the search, interviewing and hire process, with a special thank you to Noah Risner and the Greens and Grounds Staff for keeping us afloat until we could secure our new Superintendent!

Come join the Lakewood Greens' Sprigging Brigade

This month we had a leak in the ceiling in the ladies locker room. This leak has been fixed and hopefully we won't have this issue come up in the future. I have finally found a contractor who will be doing a remodel on both bathrooms as you come in the main entrance, this will include painting new flooring, new vanity and countertop. Additionally we will be replacing the faucet and light above the mirror in the men's bathroom to match the new faucet and light that was installed in the Ladies bathroom.

External Facilities - Jeff Biniek

- We have installed new LED lighting on the tennis courts and we are enjoying seeing the activity pick up.
- The Pool will be opening by Memorial Day. We also plan to replace the lighting so that our members can enjoy night swimming.
- The plan is to paint the golf maintenance buildings during the the golf course renovation.

Still a good month overall. YTD we now show a profit of \$53,268.
