Wow, what a winter so far! I hope everyone survived the cold spell without too much damage. Hopefully the hard part of winter is over. Unfortunately, the club house didn't make it through unscathed. We had a pipe break in the pro-shop, which caused some damage to the insulation, sheet rock and carpet. I spoke to Trevor last week and he has some concern about damage to the greens due to the cold weather, but we really won't know until spring. Trevor and his team did everything they could to protect the greens and we may get lucky with that thick layer of snow before the frigid cold weather hit, as this acts as an insulation layer adding extra protection. Keep your fingers crossed.

To pass the time during this cold spell we now have a pool table in the game room, thanks to a donation from Busch and Linda Thoma. Please do everything we can to help take care of this table, as I understand this has been an issue in the past.

Unfortunately, Rob Scherer has decided to withdraw from the Board due to unforeseen obligations with his new job. On a good note, Bitia Jordan has agreed to join the board as Social Committee Chair. Trent McNabb led this committee last year and had a wonderful group of volunteers to make things happen. Bitia was part of that committee over that last year and will be a great addition to keep the current momentum going.

Think warm, golf season is right around the corner. - Bryan

Greens & Grounds

Trevor Vestal & Betty Hand

While the winter weather limited the Greens and Grounds team's ability to work on the course, they did manage to find things to do like repairing the ceiling in the shop and fixing a busted pipe in the #4 Green bathroom.

We would like to thank those that have contributed funds toward the Tree Management Plan! We initially purchased three trees and anticipate having them in the ground soon with plans to purchase additional ones in the near future.

The Greens and Grounds Committee and Superintendent Trevor Vestal send email communications as needed concerning the Golf Course, playing conditions and restrictions. If for any reason you are not receiving these email communiques, please reach out to Betty Hand at lakewoodgcctn@gmail.com.

External Facilities

Jamie Hicks

Outside Facilities will have a committee meeting on Feb 7 to get a plan for the spring season.

Finance - Mike Melton

Please visit the Lakewood Golf and Country Club website for December Financial Report.

Thanks, Mike

The Thoma family has donated an eight foot pool table to the club. Kemp Brooks and I went over to their house last week and disassembled the table. Trevor and his crew went with us to load and transport the table to the club. On Wednesday a professional pool table mechanic came to the club to assemble the table and we are live as of Wednesday evening.

In order to keep it in good shape, we will be storing the cue sticks and balls behind the bar in the 19th hole when not in use. We will limit the use of the table to adults unless your child is with you. We ask that if you check out the balls and sticks you, please take responsibility for the table. Once you finish playing we ask that you return the balls and sticks to the bar. Our concern is that if we leave the sticks and balls with the table we might have a child who might accidentally tear the felt or damage the sticks.

If you have any questions or concerns with this plan please contact me to discuss. We hope that this will be an enjoyable addition to the club.

2023 went out with a bang! Thanks to everyone that helped make it a success!

We even tried a few new things: The dueling pianos and the New Years Eve bash.

We are now gearing up for 2024! We are planning to meet next week so we can put more events & dates on the calendar that appeal to all ages.....stay tuned!

If you or you know anyone else that might be interested in joining our social committee let us know!

The next event on our calendar is the Super Bowl Party on February 11th.
See below for details.
