## Words from our President - Tommy Dennis

October was another great month! It was exciting to see all the families who came out for the Witches Ride. It's not everyday you get to witness over 30 witches flying around.

As we close out the year, we will have three vacancies on the Board of Directors. Please send an email to: [office@lakewoodgcc.com](mailto:office@lakewoodgcc.com) with a short bio if interested.

Thank you!

Tommy

Lakewood Members,

## Annual Christmas Gift Information

You will notice that your November statement has an Annual Christmas Gift added to it. The holiday season brings thoughts of joy and gratitude, and there is no better time to express our thanks and sincere appreciation for the amazing and dedicated efforts of our Lakewood GCC employees.

Many years ago, the Holiday Gift Program was established for Lakewood Members as a meaningful way to show their appreciation to our Team Members, many of whom work behind the scenes to make every part of your Membership experience exceptional. This year, the \$50 Annual Christmas Gift will appear on your November 1, 2023, statement. In the past, many Members have elected to increase their Holiday Gratuity contribution; for those of you who would like to do so, please notate to add any additional funds in your payment method. Please be assured, all funds collected are distributed to the staff in time for them to enjoy the holiday season. The only benefit your Board of Directors receives from this program is the happiness that it brings to the management and staff who make The Club what it is – spectacular! If you wish to not participate, please contact the Lakewood Business Office at 931-455-0403 Ext. 101 by November 10, 2023.

Your generosity during the holidays and all year long is greatly appreciated!

LGCC Board of Directors

The Greens and Grounds Committee is continuing to refine the Tree Management Plan, to include which species and the quantity of trees to plant in the desired locations. While it is taking more time than we would like, the upfront planning process is a necessary investment that will pay off in the long-term success of the initiative. You may have noticed that Trevor, Noah and the crew limbed-up several of the trees that were shading parts of the course where we want grass to grow or where we had dead limbs that could have fallen on unexpected carts/players. Thanks to the members that came and assisted in the cleanup!

## Greens & Grounds - Betty Hand

## Winter on the New Greens

As many of you know by now, with the new TifEagle greens, winter time will be a little different than years of the past. Unlike Bentgrass, TifEagle is a warm-season grass that will result in better playing conditions during the summer months, however, with that comes an increased susceptibility to winter damage. While there is no guaranteed way to prevent winter damage, there are several things my staff and I will do to try prevent and/or minimize any damage, which will be to cover the greens when certain conditions arise. With that being said, due to the small size of my staff, I will need to ask for help from the membership when the time comes to cover. If you are interested in helping with the covering process, please send an email to [tvestalgcs@gmail.com](mailto:tvestalgcs@gmail.com) so that I can put together a contact list. Thank you for the support!

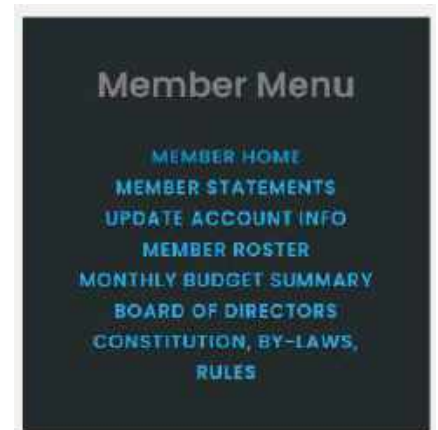

Trevor Vestal - Superintendent
