BEAUTIFUL scenes around Lakewood!

Greens and Grounds is both exhaling a sigh of relief and equally celebrating that the golf course is not just ready for play but looks awesome and is something that we can all be proud of. It will be a short breather however as the flood gates open for the backlog of tournaments and membership play in September. And you can do your part by being good stewards of your golf course, exiting the fairways/roughs before approaching the greens as indicated by the Carts on Path signage, staying on the cart path on Par 3 holes, taking relief from the newly sodded areas, putting sand in your fairway divots and repairing ball marks!

Thanks go out to Dan Merz, Jeff Biniek, Greg Gates and a number of other volunteers that gave the Grounds Maintenance buildings a much needed pressure washing and splash of color. And as the opportunity arises, please recognize and share your thanks to the Grounds crew for their efforts in our successful golf course uplift!

Greens & Grounds - Betty Hand

Thanks to the crew who helped paint the maintenance buildings!

Finance - Mike Melton

In July we had a Profit of \$23,417. This was the result of billing out \$38,675 to members for Member Guest. If we had not invoiced member guest charges we would have posted a loss of \$15,258 for the month which is better than the budgeted loss of \$20,264.

Administrative Expenses were over Budget by \$965 in July due to paying three months of software charges that had not been paid in the prior three months.

All other departments with the exception of Greens and Grounds came in under budget for July.

The Restaurant and Bar had a loss of \$2,588 for the month of July.

Year to Date we have spent \$155,173 of the \$173,000 collected for the assessment.

Pike Creek Sprigs	\$57,489
Covers for Greens	\$24,715
Fraze Mowing	\$11,400
Tri Turf Sprigs	\$43,560
Sand	\$8,160
Chemicals	\$3,055
Smith Turf	\$6,794

Thanks, Mike
