WORDS FROM OUR PRESIDENT - TRENT McNABB

January reminded us all that winter is still very much here. The extreme cold has required our greens to be covered for several days, and we appreciate everyone's patience and understanding as we protect the course and plan for a healthy spring. A special thank you to Trevor and his team for their hard work and attention to detail in caring for the course throughout the winter months.

I am excited to share that Brad is off to a great start as our new Head Golf Professional. His energy, professionalism, and engagement with members have been noticeable from day one, and we are thrilled to have him leading our golf operation.

A reminder that Lakewood now owns and operates the Pro Shop, and we encourage members to support it whenever possible. New merchandise is arriving weekly, and if there is something you are looking for that we do not have in stock, Brad is happy to help special order items for members. This directly supports the Club and our golf programs.

In the clubhouse, Cyndi and Chef Nick continue to do a fantastic job in the kitchen. Feedback has been very positive, and we appreciate the care and consistency they bring to the dining experience. In the office, Penny continues to be a great resource for our members and is always willing to help with questions, requests, and day-to-day needs.

As a Board, we remain focused on improving the overall member experience in everything we do. One area we are actively working on is a new POS system that will provide easier member access to tee times, dining reservations, member statements, social events, the Club calendar, and all things Lakewood. More details will be shared as we move forward.

Thank you for your continued support of Lakewood, and we look forward to warmer days ahead - Trent

HICKS

With all the cold weather we've had, fortunately things are running smoothly outside the clubhouse! We are looking forward to springtime!

TAKIN' CARE OF BUSINESS

CLUBHOUSE - BRAD HARDY

We've been busy around the clubhouse this past month. The tv in the game room went out and has now been replaced. We ran a new longer HDMI cable to the tv in the bar area which solved that tv intermittently

losing its signal. We had some electrical issues going on which uncovered some larger issues that needed to be addressed. The needed upgrades were quite extensive but that work has now been completed. We are re-wrapping our ductwork in the bar and dining rooms starting next week and will be replacing approximately 60 stained ceiling tiles.

We finally received a bid that we could work with and look forward to this big improvement. Lastly, we have new rugs under two sitting areas in the lobby. Come check them out. They look great! As always, if you see anything around the club that needs attention please let us know.

SIP, SWIG & SOCIALIZE SOCIAL - CINDY RAMSEY & BITA JORDAN

Our Daddy-Daughter Dance Date Night was a huge success. Such a special night for these little girls! Check out all the photos below.

Lots of good things are coming together for Lakewood:

TENNIS/PICKLEBALL

We are putting a committee together. Anyone interested in tennis/pickleball, and/or beautification/landscaping around the tennis courts is welcome! Check social media and emails for a meeting upcoming this month.

There are lots of new events and we will have a special Lakewood 100th Anniversary party this year, too!
We're excited for everyone to be involved!
In the meantime, this month we have a few special events:

THE LINKS

GREENS & GROUNDS - TREVOR VESTAL & GREG GATES

We continue to work on “winter projects” to help improve the aesthetics of the property. A few examples - re-painting tee markers, removed hole markers, edging of the cart path around the property. During the month of February we will shift our attention to Hole 10 as we begin the project to re-wire the irrigation system to prepare for new sod this year, our first priority of 2026 to improve the playability of the right side of the fairway and rough.

During the extended time of the greens being covered, we should expect to see a fungus. This is natural and will be easily fixed simply with one spray, no need to be alarmed. See you around the course soon.

BALANCING THE BOOKS

FINANCE - PENNY PANTER & JOSH CLAREY

The most up-to-date financial information is available on our website under Member Login.

With golf season right around the corner, we're excited to share some great news from the Pro Shop!

One of the biggest changes for this season is that the Club now owns and operates the Pro Shop. This allows us to explore new offerings and better tailor the shop to the needs and preferences of our membership. We're looking forward to trying new ideas and seeing what works best for you.

Your Pro Shop will feature top brands in golf, including apparel and clubs (see vendors below). We'll also carry accessories from leading brands such as Bushnell, CMC, Club Glove, and Oakley. In an effort to better serve the membership, Brad and his staff are happy to place special orders from any of these vendors. As Brad shares: "Throughout my career as a golf professional, I have done hundreds of special orders for members of my clubs, and I am happy to bring this service to Lakewood. Whatever you are looking for—clubs, apparel, shoes, or anything else—we will take care of it for you."

For those who would like to explore our brands in advance, check these out:

Apparel:

- Johnnie - O www.johnnie-o.com
- Footjoy www.footjoy.com
- Levelwear <https://us.levelwear.com>
- Turtleson www.turtleson.com

Golf Clubs:

- Callaway www.callawaygolf.com
- Titleist www.titleist.com
- Ping www.ping.com
- TaylorMade www.taylormadegolf.com

Golf ball specials are also coming soon, including Buy 3 Dozen, Get 1 Free. More details will be shared in the coming weeks.

Some vendors will again offer Lakewood-specific microsites, allowing members to order directly from the vendor through a customized club site, similar to what we have used in the past.

We will continue to host demo and fitting days, which have been very popular with our members. The first two Callaway demo days are already scheduled for March 10th and April 16th, with many more to be added throughout the season to help you find the best equipment for your game.

On a separate note, the Pro Shop is looking for a wooden table (or similar) that could be used to display folded sweaters, sweatshirts, and other merchandise. If you have one you no longer need, please let us know.

MASTERING THE GREEN

GOLF & PRO SHOP -
BRAD GANNAWAY, PGA
& NOLAND GOMEZ

Brad recently attended the PGA Show in Orlando and has established relationships with vendors.

Finally, our golf schedule has been finalized, and we're excited to kick off the season with our first tournament of the year on **February 8th. This year's "Polar Bowl" will be combined with the Super Bowl** viewing, and we hope to see everyone out on the course and in the clubhouse.

We look forward to a great season ahead and appreciate your continued support of the Pro Shop and the Club.

Warm regards - Brad
