As golf season starts to turn into full swing and the fairways turn green, I hope you are able to get out and enjoy the golf course. Lads and Lasses and the Men's League has had great turnout the first few weeks. If you are new to the club, come out and join us as it is a great way to meet people. Tournaments are starting up in May with the Spring Ramble and the Member/Member tournament. Kenny, Trent and the golf committee have a fun filled list of tournaments set up this season. To assure each event runs smoothly and remains on the calendar, we kindly ask that you sign up as early as possible. Early registration helps the team plan effectively and avoid the disappointment of cancellations due to low participation. We have already had to cancel the Ryder Cup Tournament in April due to lack of participation. If you are planning to play, please don't wait – gather your team, spread the word and register early. I want to thank all of our staff for working around all the renovations, I know it hasn't been easy. I want to thank our members for being patient as we get the club back in working order. I also want to thank our board for all the long hours spent in meetings. This great group really cares about this club and are working hard to have Lakewood continue to be a special place.

See you at Lakewood...Bryan

Easter brunch was a big success. The weather was perfect and the kids had so much fun hunting eggs. There were even gold prize eggs this year! We had a jazz band, mimosas, good food and enough people for 2 lunch seatings!

Mother's Day is quickly approaching - don't forget to get your reservation and spoil Mom on her special day!

Memorial Day is our next family event and our pool will be open. Stay tuned for details and more fun summer events.

Again, if anyone would like to join our social committee or help our crew get the pool ready please contact Bitia (615)828-5511.

We are excited to get moved back in and see everything settle down following construction. While we have had some business interruptions, our Staff has done a great job of juggling schedules to meet the construction schedule. Our reverse drawing April 25 was an overwhelming success. Every area of the building was full, very exciting! Congratulations to Donna Burfitt and Jordan Ennis on splitting the \$1,000. Please remember to use your Club for your dining and party opportunities!

Thank you to all our members who support Lakewood by participating in our events. Also to those who host celebration parties! Contact Cindy at 931-455-8770 Ext 2 for all your event and dining needs!

We've been extremely busy carefully planning our new menus.

GREENS & GROUNDS - TREVOR VESTAL & GREG GATES

In the spirit of “Continuous Improvement” we are beginning to see the great results of Trevor and his team during the winter months as warmer temperatures heat up. The warmer temperatures allow the best time to grow grass. With that, you will notice some of the tees have shifted closer to the cart path to minimize cart traffic to promote healthy grass.

WE URGE EVERY MEMBER TO FOLLOW THE POSTED SIGNS AND USE THE 90 DEGREE RULE. WE ARE SEEING MEMBERS DRIVE UP TO TEE BOXES AND DRIVE STRAIGHT DOWN THE FAIRWAY AFTER TEE SHOTS. PLEASE WALK UP TO TEE BOXES AND FOLLOW CART PATH RULES.

A couple of huge projects are coming up. Beginning May 12, we will be getting all collars replaced on the greens. We are shifting to Tahoma 31 that will allow us to establish a clean edge along the green and provide a great playing surface. We plan to add this grass to a couple of tee boxes as well that have shade or other issues.

Also, we are planning to renovate and sod the rough to the left of number 3 green. All trees that we planned to remove on the right side hole 10 are now gone to help us move forward with our long term plan to get healthy grass on the right side of the fairway. Shout out to Jon Gault, Jon Bell, and Charlie Padget, for their assistance along with Trevor’s crew.

TAKIN' CARE OF BUSINESS

EXTERNAL FACILITIES - JAMIE HICKS

We are cleaning up and repairing some eyesore places on the outside of the clubhouse. This combined with the newly painted pool will make for a great summer.

CLUBHOUSE - BRAD HARDY

Exciting news!! Our clubhouse is getting a much needed interior design update. We thought this was the time to do it since we were already getting all new flooring and paint from the water issue. As many of you know, our own Bitu Jordan is an awesome interior designer and is working on selecting new furnishings for our entry, lobby, bar, game room, and hallways. Our goal is to make our club shine for our member guest tournament in June. We hope to carry this on into the dining rooms as soon as we can and funds are available.

This project is being partially funded by donations. We already have some members that have raised their hands and donated. If you would like to donate to this awesome cause please reach out to Brad or Bitu or any of our club staff.

LADS & LASSIES

STEVE & WANDA COPE

Lads & Lassies is off to a great start this year. We are averaging 57 people in the first two weeks. There are so many new players this year and they are having a blast playing with their partner and making new friends each week. We would like to invite you to get a partner and join the fun!

We had a great turnout for our Spring Fling and really enjoyed hosting our former members and catching up!
