## WORDS FROM OUR PRESIDENT - TRENT McNABB

As we head into the heart of the golf season, it's great to see the course and club activity picking up. Our Tuesday Night Men's League and Lads & Lassies are off to a great start and will continue on Tuesday and Wednesday evenings throughout the summer. We encourage anyone interested to sign up and get involved. We also have several events just around the corner, including the Spring Ramble and Spring Member-Member. It should be a great stretch of golf at Lakewood.

The Board recently approved several Greens & Grounds improvement projects aimed at enhancing course conditions and overall playability. We appreciate the support from our Tuesday Night Men's League, LLGA, and individual members who have contributed to helping make these projects possible.

As we continue to invest in the club, it's equally important that we protect what we have. We've had ongoing discussions around rules enforcement, and we are asking all members to be mindful and respectful of club policies. This includes adhering to cart path restrictions—especially with the new brown stakes designating where carts must return to the path and following the 90 degree rule—and avoiding parking in areas such as the clubhouse overhang. Trevor, Brad, and the golf staff will be more proactive in addressing violations, tracking incidents, and reporting back to the Board so we can determine if further action is necessary. Our goal is not to be heavy-handed, but to ensure a consistent and positive experience for all members.

Thank you for your continued support of Lakewood. We're looking forward to a great month ahead. -Trent

Membership - Penny Panter & Betty Hand

*Jaie & Jett Damron*

*Bill & Lane Yoder*

*Jeff Muse*

As the Membership Committee alluded to in the last newsletter, we are working on new marketing materials and are preparing to share a membership questionnaire. In terms of the new marketing materials and for the new Lakewood website, we desperately need new professional-grade photography and would love to have a drone video of the course. If you or someone you know can assist in this area, please reach out to Betty or Penny. Our second key initiative in May is a membership survey. As Lakewood celebrates its 100th anniversary, we are taking this milestone year as an opportunity to reflect on our history and plan thoughtfully for the years ahead. As a member-owned club, our members' feedback is essential in helping us to understand what our community values most and how we can continue to strengthen the Lakewood experience for current and future generations. This survey invites all members to share their perspectives on what makes Lakewood special and where we can continue to grow. To show our appreciation for your time, all completed surveys will be entered into a drawing for a \$100 club credit, for use in the 19th Green or the Pro Shop unless you prefer to be anonymous, forfeiting your eligibility for the drawing. We look forward to hearing from you!

The Board of Directors recognizes that our long-term success as a members-owned club includes attracting young adults to join Lakewood. With that in mind, we are offering a special initiation fee arrangement through the end of May 2026. Young adults, less than 35 years of age, are eligible for the special arrangement. The young adult prospect would pay \$2,500 initiation fee upon the Board of Director's approval of their Young Adult Single or Family Golf Membership application. The remainder of the initiation fee would be due on or before the member turns 35.

At age 35 the member would transition to a Resident Golf Single or Family Membership. The remainder of the initiation fee is calculated as one-half of the current Golf Initiation Fee on the date it is paid. Note that there is no refund if the current Golf Initiation Fee is less than \$2,500. If you know of a young adult that is interested in finding out more, please have them contact the Business Office.

**PLEASE MAKE SURE THE BUSINESS OFFICE & GOLF SHOP HAVE YOUR EMAIL SO THAT YOU CAN KEEP UP TO DATE WITH EVERYTHING LAKEWOOD!**

Many of you have noticed the new Exit Marker Stakes, and we really appreciate your support to exit back to the cart path and walk up to the green after your approach shot. Please check the cart path rules on the #1 tee box before play. When the 90 degree rule is in effect, we ask everyone please help out by following the 90 degree rule to enter and exit after each shot, avoiding driving up the fairway or rough to your next shot.

## TAKIN' CARE OF BUSINESS

EXTERNAL FACILITIES - JAMIE HICKS

The warmer than usual spring has led us to uncover the pool earlier than usual. While it's not quite ready for use, it should be in the coming weeks. We are hoping for an outstanding summer and hope to see everyone out by the pool. Also, the new patio lights are on a timer and should come on around 6:30 and turn off at 10.

If any problems come up please reach out.

CLUBHOUSE - BRAD HARDY

The new 5 ton HVAC unit has been installed. This was to replace a 25 year old unit servicing the dining room. All toilet tissue dispensers have been replaced as it was brought to our attention that the old ones were not operating properly. Other than a few other minor issues it's been a quiet month for clubhouse maintenance. As always if you see anything around the clubhouse that needs attention please let me or one of the staff know.
